Dear Sir/ Madam,

I am happy to inform you that our college is in collaboration with Department of Commerce, SPPU is organizing One Day Workshop on “Implementation of Choice Based credit System for BBA/BBA-IB course.

Your college active participation in the workshop is highly solicited. We are inviting you to depute two to three teachers to attend this workshop and I shall very much appreciate if they participate but also contribute the valuable suggestions in this workshop.

ABOUT INSTITUTE

In 1986, the trust realized the need of business studies in commerce education and established the Marathwada Mitra Mandal's College of Commerce (MMCC). The college began on a very humble, modest and a very low keynote with 133 students on roll. Today, the college has grown from strength to strength with outstanding results.

Over the years the college has undergone three cycles of accreditation and have scored 3.06 with 'A' grade in the new process NAAC , Bangalore

ABOUT THE WORKSHOP

University Grants Commission has come up with the Choice Based Credit System (CBCS) programme in which the students have a choice to choose from the prescribed courses, which are referred as core, elective or minor or soft skill courses and they can learn at their own pace and the entire assessment is graded-based on a credit system. The basic idea is to look into the needs of the students so as to keep up-to-date with development of higher education in India and abroad. CBCS aims to redefine the curriculum keeping pace with the liberalization and globalization in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students. The basic motive is to expand academic quality in all aspects, right from the curriculum to the learning-teaching process to examination and evaluation systems. The implementation of the choice based credit system seems to be a good system in assessing the overall performance of a student in a universal way of a single grading system.

PURPOSE OF THE WORKSHOP

Savitribai Phule Pune University (SPPU) has opted for the implementation of Choice Based Credit System (CBCS) programme for undergraduate professional courses under commerce. This pattern shall be brought into effect from June 2019 for FY BBA / BBA-IB. The purpose of this workshop is to discuss the various tools, techniques and methodologies in the implementation of the Choice Based Credit System (CBCS) programme
